

Panda Antivirus Pro 2013

Much more than a simple antivirus

This antivirus is not for your computer.

It's for you

Want to enjoy essential, hassle-free protection at an unbeatable price? Panda Antivirus Pro 2013 is the solution for you.

- **Just install it and forget** about viruses, spyware, rootkits, hackers and online fraud.
- Read your favorite blogs and **surf** the Web with total peace of mind.
- **Bank and buy online** knowing your confidential data is safe.
- **Connect with other people on the Internet** without fear of nasty surprises: chat, share photos and videos, etc.
- Set up your home network and **protect all your computers** (up to 3 PCs).
- **Relax.** Our technical support service is there to help you.
